

February 11-15, 2020

"We are all about live Hands-On training!"

Early Registration Discount!

Now thru November 1st, 2019

 **CALL US: 1-855-472-5050**

Course Description:

The Calderón Institute offers training programs for all levels of Implant dentistry. Both, participants early on their learning curve as well as the more advanced.

Courses are designed with both the practitioner and the patient in mind to help successfully incorporate Implantology performance into your practice. Our hands-On training program will help you gain the skill, knowledge and confidence you need to be successful in today's challenging times. Our lecture series will give you a comprehensive overview of Dental Implantology, Soft Tissue Management, Guided Bone Regeneration, Platelet Rich Fibrin (PRF) and Phlebotomy. Finally, with the Calderón Institute Course, the implant surgeon will have a more thorough understanding of advanced bone grafting procedures which will ultimately improve implant success, longevity and esthetics for their patients.
